Re: Rouviere v. DePuy Orthopaedics, et al.
Civil Action No. 1:18-cv-4814 (AJN)

Dear Judge Liman,

Pursuant to the Local Rules of the Southern District of New York and this Court's procedure, below please find the Plaintiffs, Jodi Rouviere and Andre Rouviere's, letter motion to ask the court to seal DKT 226 filed late last evening. There were several issues trying to upload the numerous documents and attachments. In the attempt to separate to hope to get the documents to upload and the need to re-attach each time, Plaintiffs in error re-attached the documents several times attempting to upload until it did, counsel attached the un redacted version in error including previously sealed information, even though the original attempt and intention was to file the redacted version of the Memorandum in Opposition of the Defendant Depuy's Motion for Summary Judgment.

Plaintiffs thank the court for its understanding.
